

## Contacts for B2B meetings BIORIVER/CLIB 2021 (June 2008): Walloon companies

| Company              | Sector  | Address  | PC   | Town             | web site   |
|----------------------|---|--|------|------------------|--|
| Wetlands Engineering | bio-process, waste & water treatment, enzymes production & uses,  | FlemingCenter Rue Laid Burniat,5                         | 1348 | Louvain-la-Neuve | <a href="http://www.wetlands.be">www.wetlands.be</a>               |
| REALCO               | Water treatment, cleaning, bio-based detergents, enzymes production   | Av. Einstein, 15   | 1348 | Louvain-la-Neuve | <a href="http://www.realco.be">www.realco.be</a>                   |
| Straticell           | reconstituted epidermis& skin equivalent for in vitro testing applications (tissue culture, molecular toxicology)                                 | Parc Créalys, Rue Jean Sonnet 10                         | 5032 | Les Isnes        | <a href="http://www.straticell.com">www.straticell.com</a>         |
| Nanocyl              | carbon nanotubes  | Rue de l'Essor, 4  | 5060 | Sambreville      | <a href="http://www.nanocyl.com">www.nanocyl.com</a>               |
| Kitozyme             | biopolymers derived from fungal co-products (glucan, chitosan, chitin) for cosmetic, nutraceutical, medical applications                          | Parc industriel Hauts-Sarts, Zone 2, rue Haute Claire, 4 | 4040 | Herstal -Liège   | <a href="http://www.kitozyme.com">www.kitozyme.com</a>             |
| Agrostar             | production of organisms for environmental uses: biological starters, microbial solutions for water treatment, gardening, household uses           | Rue Jean Noël, 25  | 5000 | Namur            | <a href="http://www.agrostar-sa.com">www.agrostar-sa.com</a>       |
| BioXpr               | Bioinformatics: Proteomics, Genomics, Metabolomics, Databases & Custom software   | Parc Créalys, Rue Herman Meganck, 21                     | 5032 | Les Isnes        | <a href="http://www.bioxpr.com">www.bioxpr.com</a>                 |
| Bioextract           | extraction (supercritical CO2), purification for pharmacy, phytotherapy & food industry   | Z.I. Achêne Rue du cercle de Tir, 1                      | 5590 | Achêne           | <a href="http://www.bioextract.com">www.bioextract.com</a>         |
| Beldem- Puratos      | Food & feed ingredients (additive, enzymes, yeast extracts, bioflavours)  | Z. I. de Seilles Rue de Bourrie, 12                      | 5300 | Andenne          | <a href="http://www.beldem.be">www.beldem.be</a>                   |
| Siterem              | soil & water treatment, soil analysis & cleansing, diagnostic evaluation  | Cours de la Taillette, 4                                 | 1348 | Louvain-la-Neuve | <a href="http://www.siterem.be">www.siterem.be</a>                 |
| Biolife              | vegetal extracts, probiotics, plant food supplements  | Parc Créalys, rue Camille Hubert, 33                     | 5032 | Les Isnes        | <a href="http://www.biolife.be">www.biolife.be</a>                 |
| Biopole              | products & concept based on human & animal secretory molecules (colostrum, lysosyme, lactoferrin, etc)  | Parc Créalys, Rue Herman Meganck, 21                     | 5032 | Les Isnes        | <a href="http://www.biopole.com">www.biopole.com</a>               |
| HerbalGem            | gemmotherapy remedies & herbal extracts   | Bihain, 28   | 6690 | Vielsalm         | <a href="http://www.herbalgem.com">www.herbalgem.com</a>           |
| DNALis               | Plant Molecular diagnostic  | Rue de la Croix Rouge, 20 b                              | 5030 | Gembloux         |  |
| THT                  | lactic acid bacteria products: food supplements, feed, pharmaceuticals  | Parc Créalys Rue Phocas Lejeune, 30                      | 5032 | Les Isnes        | <a href="http://www.tht.be">www.tht.be</a>                         |
| EAT                  | Biochips for diagnostic and pharmaceutical applications : bacterial detection, molecular toxicology and cancer. Biochips detection in colorimetry | Rue du Séminaire, 20a                                    | 5000 | Namur            | <a href="http://www.eppendorf.com/eat/">www.eppendorf.com/eat/</a> |
| Pharma Manufacturing | Development, manufacturing and marketing of pharmaceutical and dietetic products  | Parc Créalys, Rue Guillaume Fouquet 16                   | 5032 | Les Isnes        |  |

|                     |   |                                |                |  |
|---------------------|---|--------------------------------|----------------|--|
| Brichart            | agricultural warehouse (cereals, fertilizers) + biorefinery activities  | Rue de la Basse Sambre, 16     | 5140 Sombreffe | <a href="http://www.aveve.be/brichart/frn/">www.aveve.be/brichart/frn/</a> |
| Progenus            | DNA tests, pathogens detection in various animal species, commercialisation of diagnosis kits,  | Av.Marechal Juin 13            | 5030 Gembloux  | <a href="http://www.progenus.be">www.progenus.be</a>                       |
| DNAVision Agri-food | Food quality: Food identification, food tracability, GMO analysis, microbes detection + Genetics & genomics animal plant genetic identification | &Blvd de Colonster, 20 Bat 43B | 4000 Liège     | <a href="http://www.dnavision.be/index.php">www.dnavision.be/index.php</a> |
| Develop             | Biopesticide development & phytotoxicity trials   | Passage des déportés, 2        | 5030 Gembloux  | <a href="http://www.fsagx.ac.be/pp">http://www.fsagx.ac.be/pp</a>          |
